

Cagamas Berhad

National Mortgage Corporation of Malaysia

Globally and locally acknowledged as provider for liquidity to primary financiers at a reasonable cost, making financing home ownership more affordable and accessible to Malaysians.

Issue competitively priced corporate bonds and sukuk that serve as benchmarks for other corporate lenders.

Moody's Investors Service A3-rated multi-currency funding programmes which are on par with Malaysia's sovereign ratings.

Concluded innovative and award-winning transactions including the world's first Sukuk al-Amanah Li al-Istithmar (Sukuk ALIm) and Sukuk Musharakah Residential Mortgage-Backed Securities (RMBS) as well as ASEAN's first Synthetic Securitisation of SME Loans.

Second-largest issuer of corporate bonds and sukuk after the Government of Malaysia, and largest issuer of AAA-rated corporate bonds and sukuk in the Malaysian capital market.

Regarded by the World Bank as the most successful secondary mortgage liquidity facility model.
